

Multicultural Books and Videos' *World Language Sets* are the quick and affordable way to build a diverse, multilingual collection. This is an excellent way for libraries looking to start a new collection or for libraries interested in expanding their collection. Every *World Language Set* includes high interest material selected by our language professionals and full MARC cataloging from OCLC. There is also the option of adding complete physical processing.

Our language professionals do all the work. You will receive:

- Current popular books in your choice of **Arabic, Farsi (Persian), Chinese, Vietnamese, Russian, Spanish, French, German, Italian, Korean, Tagalog, Bengali, Gujarati, Hindi, Punjabi, Tamil and Urdu** for adults and children.
- Full MARC Records from OCLC
- Physical processing of your items, if requested.
- Your new books with free shipping.

We create new sets every other month. Your library may order just a single set or multiple sets. For example, your library can order 6 sets at one time; which means you will receive 20 x 6 sets or 120 books all at one time. Or your library can order 2 sets at one time; which means you will receive 20 x 2 sets or 40 books. You can have 6 copies of the same book or all different titles. If your library is looking to gradually built a world language collection, you may request a year-long subscription. For example, your library can order 6 sets in a year, which means you will receive 120 books over the course of the year. We can cater to your requirements.
